7:00 – 9:00 pm ET

Clinical Research in the COVID Pandemic

7:00 – 8:00 pm ET

Moderator: Michael Koren, MD, CPI, FAPCR

Panelists: Cara East, MD, FAPCR

Michael Ybarra, MD, FAPCR

Harry Sarles, MD, FAPCR

Robert Hardi, MD, CPI, FAPCR

Summary: While the COVID pandemic has created interruptions to clinical research, it has also created new opportunities for advancement and change. Panelists will discuss the unprecedented response of the clinical research community to the effects of COVID-19 on non-COVID research, and pose the question, *What opportunities are next for your practice or business?*

Social Justice in Clinical research

8:00 – 8:45 pm ET

Speaker: Michael Koren, MD, CPI, FAPCR

Summary: As clinical researchers, we have unique insights into the overlapping landscape of social justice and public health. This session will discuss ways that we can ethically support outreach to minority patients and investigators in the current political climate.
